Great Bargain Sale
—AT—
Hutchison's
Bargain
Store,
—IS—
CONTINUED
—FOR—
ONE WEEK MORE!

This sale is distinguished from all other sales at this season of the year by being a sale of New, Seasonable Goods at less prices than the clearing out, stock taking and removal sales that only have remained of old stock to dispose of. It is our custom to make this kind of a sale at this season of the year; it is an innovation, and gives the people an inducement to make their purchases in a dull part of the year instead of waiting until the busy time comes. Compare our goods and prices and see how much greater values we give.

One of the greatest bargains ever offered in the city is our sale of dollar corsets for 50 cents. No more than this lot is disposed of. All sizes now. Don't wait.

Another unusual offering in ladies' under skirts in a variety of new materials as Am silk, Mercerized silks and satens, in plain and fancy patterns. Latest styles, plaited, flounced, biased, gathered and ruffled at prices that no house has ever attempted before, just about half the regular prices asked, so you can judge how much of a bargain you can get here. These goods are a late purchase and all we will have at such unusual low prices.

One lot of French cutting night gowns, Empire style, lace and ribbon trimmings, a special bargain at 98c for this sale; worth \$1.50. All sizes. Some late purchases of jackets, capes, suits and dress skirts going at money saving prices for you.

This is a time for you to get nice seasonable goods at half and less than high prices, fresh, perfect goods.

Three Electric Seal Muffs at \$1.98, \$2.27 and \$2.50. See what a bargain. Collarettes at closing prices, \$1.25, \$1.98 to \$6.48. To appreciate these wonderful bargains is to see the quality, styles and beauty of the goods at such very low prices. No one can think from such meagre description that they were very much, but they are truly a great purchase. Hoas and Colliers in fur at \$1.25, \$1.98 and \$2.98.

Our present stocks in all departments are large, bought in anticipation of the higher prices being charged now. Come and get some of the greatest bargains you ever had.

Clothing, Hats, Trunks and Shoes.

Everything we offer here is away below any competition. Don't forget them; they are on the SECOND FLOOR, EASY OF ACCESS. Money can be saved by visiting them. The Queen Quality Shoes for ladies, for quality, style, wear, fit and prices, lead all others. Call for them.

A Poverty Cure.
A Missouri magnetic healer claims that for the small sum of \$1 he can cure poverty and set the needy on the road to prosperity. As might naturally be expected many sufferers from this chronic disease have applied by letter for treatment, and if all reports be true, the "professor" is at least achieving a marked success in curing his own poverty. They say he is daily receiving from \$2,000 to \$3,000 through the mails, and that his unique business requires seventeen assistants and a large force of typewriters.
For the benefit of those who feel the need of something to restore their fortune we will briefly outline "Prof. Weltner's modus operandi." Some of its features will appeal to the more cautious and suspicious. The first step is to get the dollar, and the second step is to let the professor have it. Then the healer sends you a letter, in which he promises to "fix his best thoughts" on you at a certain hour. These thoughts, according to the communication, will "go through the sufferer like flashes of electricity." After that things are supposed to get easier for you, and in all probability the lapse of a few months will necessitate your employing a clerk to assist you in clipping your coupons. All that is necessary for the patient to do pending the crucial period of his treatment is to "keep his mind in a receptive state and stop lending money." If his case is a malignant one, he will have no trouble meeting the last requirement, though it is a fortunate thing that borrowing is not interdicted. Just why the poor should not lend out their money at this critical time the "professor" does not explain. Possibly he thinks the reason too obvious to justify a waste of words.
A Chicago paper gives interviews with several indigent citizens who have tried the "poverty cure." Some feel a sense of prospective relief, but one man has failed to realize the electric flashes.
"Prof." Weltner's system works through the medium of mental telepathy, and in the cases where he has operated successfully his patients are very enthusiastic.—Richmond Dispatch.

Passing Bad Dollars.
A large number of bogus silver dollars are being floated in this city and community. It has been going on for some time and Marshal Wilkins has been working on the case for about three weeks. Three of the coins were turned over to the police yesterday. Last Wednesday a man appeared in the city selling a patent lamp cleaner and easels and about this time the "queen" made its appearance. The party left the city yesterday and forgot to settle his bill at the Loffland Hotel. The man is suspected with having something to do with the counterfeit money, and Marshal Wilkins has sent the following descriptive card to the surrounding towns:
Wanted—A man who registered at the Loffland Hotel in this city as G. A. Goldslier, St. Louis, Mo. Description, thirty to thirty-five years old; 5 feet 8 to 9 inches tall; weight about 160 pounds; wore black soft hat; brown suit of clothes; light colored heavy mustache; selling lamp chimney cleaners and easels; also suspected of passing counterfeit silver dollars. Wire all information to J. B. Wilkins, Marshal, Cambridge, Ohio, January 30, 1900.

The United States authorities have been notified. It is understood that a secret service officer is now at work on the case. Judging by the amount of bad money now being circulated here, it may be supposed that it is being made in or near this city.—Cambridge Sun.

Additional Local.
—The proprietors of seven gambling places were up before Mayor Richardson Monday evening and were fined \$25 and costs.
—Two tramps who spent Monday night in the lockup, were found on Front street last night by Officer Miller, who locked them up again.
—Rev. Beaman, of Amesville, will preach in Barlow Presbyterian church Saturday, Feb. 10th at two o'clock p. m., and hold communion services on Sunday, the 11th, at 11 o'clock a. m.

Prisoners Discharged.
George Albright and Epsy Johnson, the two young men who had been arrested on the charge of robbing the postoffice at Petroleum one night last week, were given a preliminary hearing before U. S. Commissioner D. C. Casto on Monday evening. Both the young men were able to prove an alibi, and the charge against them was dismissed.—Sentinel.

Lost Three Fingers.
Floyd Douglas, an employee of Butts & McCormick, Williamstown, met with an unfortunate accident while at work yesterday. His right hand was caught in a machine and three fingers were torn off. He was brought to Grace Hospital where Dr. Willis dressed the hand and later he was taken to his home in Williamstown.

A Standard Among Newspapers.
Reflecting in its widening circulation and increased advertising patronage the prosperity that marks the opening of the new year The Pittsburg Times more than ever impresses upon its readers the excellence of its high standard and the success of its efforts to make a model paper for the individual and for the family. The Times is a newspaper, sparing no pains nor expense to cover the world thoroughly every day, that its current page of history may be complete, and in its longer range overlooking nothing that occurs at home. It is clean, dignified and reliable, certain that no lack of these features can be made up in offensive sensationalism. It can be taken into the family circle with confidence that its columns are filled with wholesome instruction and entertainment. Wherever known The Times is recognized as the best type of a concise, crisp and complete newspaper, and among newspaper men it is the publication with which comparisons of excellence are made. While The Times is Republican in politics, it realizes that others have a right to be on earth, and that politics are not everything. When one cent a day will buy a morning paper it is foolish to be without one. The Times is three dollars a year or six cents a week, and worth the money.

Thirty-two Cases of Smallpox.
Weston, W. Va., Jan. 30.—For the first time in thirty years the yellow flag smallpox warning has been displayed in Weston. The case is Andy Shearer, located in the southwest portion of the town. A pest house is being built on Town Run, nearly a mile out. Shearer will be moved there as soon as the building is ready. There are two cases at Edinboro—Jas. Hamrick, a school teacher, and his sister. Their home is quarantined.

The insane hospital quarantine has been made more rigid. The quarantine here is only on the house in which Shearer lives. The Weston public schools were closed yesterday.

Up to this time there are thirty-two cases in the four counties, Lewis, Upshur, Ritchie and Harrison. Braxton county is quarantined against Lewis, Gilmer and Upshur counties. The county court placed twelve guards with power to deputize any help necessary to enforce the quarantine.

Not the Candidate.
B. J. McKinney, of the Marietta Times, says he is not a candidate for the Democratic nomination for secretary of state, or for any other old office at the hands of the Ohio Democracy. Mr. McKinney belongs to the old line wing of the party, and has no use for the latter-day Saints of Bryanism who are in charge of the Buckeye machine.—Ohio State Journal.

Dr. Ball's Cough Syrup banishes at once all forms of throat disease and cures a permanent cure. This wonderful remedy has cured thousands of sufferers from bronchitis, hoarseness and other throat troubles.
